

In the middle of your busy day...
take a break and install an iQ.

With all that's on your plate, time is precious. Here's a way to get some time back: iQ, the powerful new AoIP console from Axia. So fast and easy, you can unpack it at 11:00 and have audio running by noon. No switch to set up - it's built-in and preconfigured. In fact, everything's built in. Audio. Logic. DSP engine. Power supply. Just plug in power and audio, and you're ready for air. Smart and intuitive, so your jocks will love it. Cost-effective, so your boss will love you. A 16-fader iQ starts at just \$9,985.00; 8-faders are only \$7,990.00.

iQ. It's about time.
